Product configurations, Asset groups, Assets assigned to asset groups ABEL SERVICES

The screenshot shows a web browser window titled "Asset group assets - Opera". The address bar displays a URL from Amazon AWS. The page has a navigation menu with "Product configuration", "Browse", and "Services". Under "Services", there are sub-links for "Asset groups" and "Assets". A sidebar on the left contains "Products" and "Asset groups". The main content area is titled "Assets assigned to asset group ABEL SERVICES" and includes a "Reset" button, a search input field, a "Display" dropdown set to 15, and a "Go" button. Below this is a table with three columns: "Label", "Member index #", and "Asset ID". The table lists six digital asset types. At the bottom of the table area, there is a "Spreadsheet" link and a pagination indicator "1 - 6". The Windows taskbar at the bottom shows the Start button and several open applications: "Asset group assets - ...", "Microsoft PowerPoint - [...]", "Microsoft Excel", and "Microsoft Excel - assets...". The system tray shows the time as 3:45 PM.

Label	Member index #	Asset ID
Digital Basic	1	32001
Digital Gold	5	32005
Digital Lite	0	32000
Digital Music	2	32002
Digital Platinum	4	32004
Digital Premium	3	32003

Services, Request new subscriber

The screenshot shows a web browser window titled "RequestNewSubscriptionWS - Opera". The address bar displays the URL: `http://ec2-75-101-172-81.compute-1.amazonaws.com:8082/apex/f?p=100:14:2521935243723755::NO::`. The browser's navigation bar includes "File", "Edit", "View", "Bookmarks", "Widgets", "Tools", and "Help".

The application interface has a breadcrumb trail: "Product configuration" > "Browse" > "» Services". The main content area is titled "Request new subscription" and contains a "Submit" button in the top right corner.

On the left side, there is a sidebar with the following links:

- Request new subscription
- Cancel subscription
- Request pairing
- Cancel pairing
- Send message
- Send forced scheduled message
- Activate kms agent
- Deactivate kms agent
- Reset PIN

The main form includes the following fields:

- Back Office System Identifier:** A dropdown menu currently showing "Operator 1 Call Centre".
- Kms Agent Identifier:** An empty text input field.
- Identifier Type:** A dropdown menu currently showing "ADDRESS".
- Subscription Start:** A date picker field.
- End (exclusive):** A date picker field.

Below these fields is a "Products" section with a list of options:

- Digital Basic (DB)
- Digital Gold
- Digital Lite
- Digital Music
- Digital Platinum
- Digital Premium

Navigation arrows (left, right, up, down) are visible next to the product list.

At the bottom of the form, there is a "Result" box containing the text "no data found".

The Windows taskbar at the bottom shows the Start button, several open applications (RequestNewSubscrip..., Microsoft PowerPoint - [...]), and the system tray with a search icon, a volume icon, and the time "3:24 PM".

Services, Cancel subscription

The screenshot shows a web browser window titled "CancelSubscriptionWS - Opera". The address bar contains the URL: `http://ec2-75-101-172-81.compute-1.amazonaws.com:8082/apex/f?p=100:15:2521935243723755::NO`. The browser's navigation bar includes "File", "Edit", "View", "Bookmarks", "Widgets", "Tools", and "Help".

The application interface has a top navigation bar with "Product configuration", "Browse", and "» Services". On the right side of this bar, it says "QUINTIC | Logout".

On the left side, there is a sidebar menu with the following links:

- [Request new subscription](#)
- Cancel subscription**
- [Request pairing](#)
- [Cancel pairing](#)
- [Send message](#)
- [Send forced scheduled message](#)
- [Activate kms agent](#)
- [Deactivate kms agent](#)
- [Reset PIN](#)

The main content area is titled "Cancel subscription" and contains a form with the following fields:

- Back Office System Identifier:** A dropdown menu currently showing "Operator 1 Call Centre".
- Kms Agent Identifier:** An empty text input field.
- Identifier Type:** A dropdown menu currently showing "ADDRESS".
- Subscription End (exclusive):** An empty date/time input field.

Below these fields is a "Products" section with two columns. The left column lists the following products:

- Digital Basic (DB)
- Digital Gold
- Digital Lite
- Digital Music
- Digital Platinum
- Digital Premium

Between the two columns are four arrow icons (two pointing right, two pointing left). To the right of the second column are four arrow icons (two pointing up, two pointing down).

A "Submit" button is located in the top right corner of the form area.

Below the form, there is a "Result" section with a box containing the text "no data found".

The Windows taskbar at the bottom shows the Start button, several open applications including "CancelSubscriptionW...", and "Microsoft PowerPoint - [...]", along with system icons and the time "3:26 PM".

Services, Request pairing

The screenshot displays a web browser window titled "RequestPairingWS - Opera". The address bar shows the URL: <http://ec2-75-101-172-81.compute-1.amazonaws.com:8082/apex/f?p=100:16:2521935243723755::NO>. The browser's navigation bar includes "File", "Edit", "View", "Bookmarks", "Widgets", "Tools", and "Help".

The page content is organized into a breadcrumb trail: "Product configuration" > "Browse" > "» Services". On the right side of the page, there is a "QUINTIC | Logout" link.

The main content area features a "Request pairing" form with the following fields and controls:

- Back Office System Identifier:** A dropdown menu currently set to "Operator 1 Call Centre".
- Kms Agent Identifier:** An empty text input field.
- Terminal Identifier:** An empty text input field.
- Identifier Type:** A dropdown menu currently set to "ADDRESS".
- Submit:** A button to execute the request pairing.

Below the form is a "Result" section containing the text "no data found".

The browser's taskbar at the bottom shows the Start button, open windows for "RequestPairingWS - O...", and "Microsoft PowerPoint - [...]", along with system tray icons and the time "3:28 PM".

Services, Send message

The screenshot shows a web browser window titled "SendMessageWS - Opera". The address bar contains the URL: <http://ec2-75-101-172-81.compute-1.amazonaws.com:8082/apex/f?p=100:4:2521935243723755::NO>. The browser's search engine is set to Google.

The page has a navigation menu with "Product configuration", "Browse", and "Services". The "Services" section is active. On the left, there is a sidebar with the following links: [Request new subscription](#), [Cancel subscription](#), [Request pairing](#), [Cancel pairing](#), **Send message**, [Send forced scheduled message](#), [Activate kms agent](#), [Deactivate kms agent](#), and [Reset PIN](#).

The main content area is titled "Send message" and contains a form with the following fields and controls:

- Back Office System Identifier:** A dropdown menu with "Operator 1 Call Centre" selected.
- Kms Agent Identifier:** An empty text input field.
- Identifier Type:** A dropdown menu with "ADDRESS" selected.
- Message:** An empty text input field.
- Buttons:** "Clear" and "Submit" buttons are located at the top right of the form.

Below the form is a "Result" section with the text "no data found".

The Windows taskbar at the bottom shows the Start button, open applications (SendMessageWS - Op..., Microsoft PowerPoint - [...]), and system tray icons (network, volume, search, 100% zoom, 3:31 PM).

Services, Activate kms agent

The screenshot shows a web browser window titled "ActivateKmsAgentWS - Opera". The address bar displays the URL: `http://ec2-75-101-172-81.compute-1.amazonaws.com:8082/apex/f?p=100:24:2521935243723755::NO`. The browser's navigation bar includes "File", "Edit", "View", "Bookmarks", "Widgets", "Tools", and "Help".

The page content is organized into a breadcrumb trail: **Product configuration** > **Browse** > **» Services**. In the top right corner, there is a "QUINTIC | Logout" link.

On the left side, a vertical menu lists several actions: [Request new subscription](#), [Cancel subscription](#), [Request pairing](#), [Cancel pairing](#), [Send message](#), [Send forced scheduled message](#), **Activate kms agent**, [Deactivate kms agent](#), and [Reset PIN](#).

The main content area features a form titled "Activate kms agent" with a "Submit" button. The form contains the following fields:

- Back Office System Identifier**: A dropdown menu currently showing "Operator 1 Call Centre".
- Kms Agent Identifier**: An empty text input field.
- Identifier Type**: A dropdown menu currently showing "ADDRESS".

Below the form is a "Result" section containing the text "no data found".

The Windows taskbar at the bottom shows the Start button, open applications including "ActivateKmsAgentW...", and "Microsoft PowerPoint - [...]", along with system icons and the time "3:34 PM".
